The Northumbria Organic Producer Group is supported by the **Soil Association** through the England Rural Development Programme by the Department for Environment, Food and Rural Affairs and the European Agricultural Guidance and Guarantee Fund. The project's aim is to work with the main certification bodies; Biodynamic Agricultural Association, Organic Farmers & Growers, Organic Food Federation and the Soil Association Certification Limited. Soil Association registered charity no. 206862

Northumbria Organic Producer Group

Let's work together

Northumbria Organic Producer Group

Bringing organic farmers and growers in the North East of England together, the Northumbria Organic Producer Group (NOP) offers a range of services to its members, from sharing information and experiences, to facilitating more cooperation throughout the supply chain, and increasing awareness of market opportunities.

The group also reaches out to processors, retailers and others to further develop the region's organic sector. Membership is open to all – irrespective of the producers certification body.

Benefits of membership

Marketing information

Access up to date information on local markets online from the NOP website.

Technical support

Talk to a network of successful practitioners and experts on all aspects of organic production and marketing. Attend training events that are tailored to your needs.

Sell your organic produce

Promote your business through the group's online directory that contains anything from produce to accommodation.

Make good business decisions

Working closely with the North East Organic Programme (NEOP), we collect and analyse a wide range of market intelligence on production levels and trends, processing capacities and retail sales to help local businesses to make informed decisions.

Improve efficiency

Benefit from efficiencies and market opportunities created by collaborative working and group purchasing.

Representing your views

Have your say, and your views will be represented to key people in the organic sector.

Keeps you up to date

Receive regular email bulletins and newsletters that keep you up to date with information on current issues and forthcoming events which affect organic businesses in the region (discounts to Soil Association events are available).

Works in partnership

Benefit from the partnership between the NOP group and the NEOP which links with other food and farming groups to provide a valuable service to the region's organic businesses, irrespective of their certification body.

Join

To join simply contact the group at the address overleaf. You can also join online by visiting the website at www.nop-organic.net
